

Avoid slips, trips and falls

- Always watch where you are going.
- Clean up spills and wet floors immediately.
- Never leave objects in walkways.
- Wear proper footwear.
- Immediately report slip, trip and fall hazards that can't be eliminated on your own.
- Never run.

OSHA is dedicated to promoting the safety and health of America's workers by setting and enforcing standards, providing training, conducting outreach and building partnerships. OSHA and the Precision Metalforming Association have created an alliance to help promote safety in the metalforming industry. For more information, talk to your employer, or visit www.osha.gov or www.pma.org.

Through the OSHA and Precision Metalforming Association (PMA) Alliance, PMA developed this poster for informational purposes only. It does not necessarily reflect the official views of OSHA or the U.S. Department of Labor. March 2008
