

As an Affinity Partner of  
The Precision Metalforming Association

## New Member Services Savings Program

- Our clients reduce their telecom and merchant services expenses by an average of **28%** and in most cases, a carrier change is not required.
- We can become a single point of contact to manage all telecom and merchant services issues at no additional cost.

Schooley Mitchell is the largest independent telecom and credit card processing consulting organization in North America. We focus on reducing the cost of telecom and credit card processing services with complete vendor neutrality.

- ▶ In business since 1980 with 17,000+ clients in North America.
- ▶ Analysis is provided on a contingency basis: Schooley Mitchell's fees are self-funded out of the savings generated from reduced expenses.
- ▶ Knowledge of best-in-class price points through our extensive benchmarking database.

Our analysis includes the review of the following services:

- Local Service
- Internet Access
- Cellular
- Long Distance
- Data Connectivity (WAN)
- Conferencing
- Electronic Payment Processing

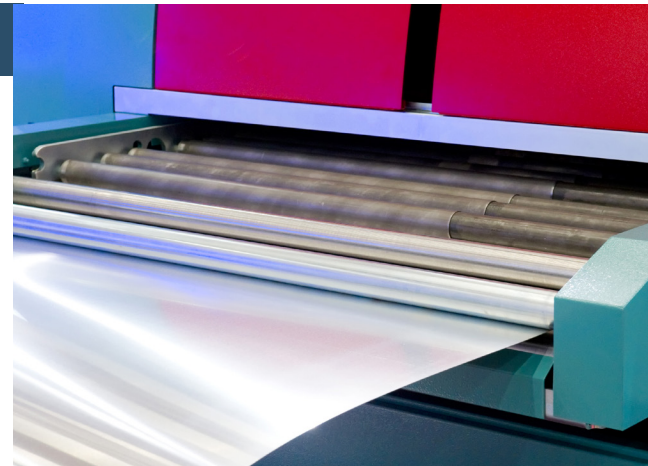

### Testimonials

"Schooley Mitchell's recommendations will create savings of over \$10,000 per year. We are also able to use them as a single point of contact to help us manage all of our voice, data and wireless services as though they were an extension of our own IT Department."

- Rodney Phipps, CFO  
Pentaflex

"Schooley Mitchell was able to optimize the pricing of our landline and cellular services without having to change providers. We expect savings of over \$10,000 annually as a result of their work. Schooley Mitchell provides detailed monitoring reports of our cellular environment and remains vigilant in making sure we best control that cost category."

- Brent Muckerheide, VP Purchasing  
Batesville Tool and Die, Inc.
