

The expertise of **YELLOW** and **Roadway**.

YRC Has Your Supply Chain Needs Covered

Today, businesses **tightly manage their inventory levels**, saving on cost, but creating the need for **smaller** shipments that must move **quickly**.

YRC knows the challenges supply chains face, and has the capabilities to meet the changing needs of your business.

Quicker deliveries. YRC Time Critical™ and Time Advantage™ allow you to ship at any speed, specify a delivery date and time or within a delivery window, and even deliver on holidays, weekends, and after hours.

Reach. The most comprehensive network in North America, the expertise of transportation engineers, the efficiencies of online technology tools, and the reliability that comes from the Genuine Heavyweight Experts® in transportation.

Increased flexibility. A full suite of guaranteed, expedited, exhibit, and specialized services gives you the flexibility you need to meet customer demands.

24/7 accessibility. Access our trained customer service professionals 24/7 by phone or our online Live Chat feature. Easily manage your shipments at my.yrc.com or download the new YRC app to your Android or iOS device.

Lower costs. As a member of PMA, you are entitled to **large savings** with YRC on your LTL (less-than-truckload) shipping needs. If the pricing needs to be adjusted, we can tailor it to your specific needs.

Contact your dedicated YRC representative at 800.647.3061 or email associations@yrcw.com to learn more. If you are not enrolled in the PMA YRC shipping program, you can enroll online at www.enrollhere.net.
