2024 Advocacy Successes

PMA has achieved many federal lobbying successes in 2024 through its **ONE VOICE** advocacy team in Washington, D.C. This is a partial list of accomplishments:

Workforce

- Succeeded in defeating Labor Department apprenticeship rule eliminating competency-based registered apprenticeships
- Agreement reached on Workforce Innovation and Opportunities Act Renewal

Trade and Supply Chains

- United States, European Union extended truce over steel, aluminum tariffs
- Supply-chain resiliency and risk assessment tool created

Taxes

- House passed bill eliminating R&D tax, restores 100% expensing
- Bipartisan bill introduced expanding 529s to industry training

Regulations

- Secured delay of Corporate Transparency Act reporting
- Defeated NLRB joint employer rule
- Expansion of overtime eligibility to 4.2 million workers overruled
- FTC ban on non-competes overruled
- Pentagon bill includes Cybersecurity Maturity Model Certification language for small businesses
