

COMPETITIVE EDUCATIONAL SCHOLARSHIPS

PMA PRECISION
METALFORMING
ASSOCIATION
EDUCATIONAL FOUNDATION

The **Precision Metalforming Association Educational Foundation (PMAEF)**, along with the participating PMA Districts, are offering \$1,000 scholarships to individuals seeking a career in manufacturing.

Applicants must be a high school senior or formally enrolled in a post-secondary metalforming, manufacturing, technology or engineering program; trades-job training/apprenticeship; or a machining, CNC, tool & die, welding, or stamping certificate program at an accredited institution.

Additional details about scholarship requirements and the application process are available at www.pma.org/foundation/educational-scholarships.asp.

Applications must be postmarked by April 10.
