

What?

\$500-\$1,000 to PMA member companies for MFG Day events, plant tours and other projects that enhance the public's exposure to manufacturing and metalforming.

Who Can Apply?

PMA (manufacturing and associate) member companies.

When?

Grant cycle will run from August 1 to September 15.

How?

Learn more about the grant program and apply at www.pma.org/foundation/micro-grants.asp.

For questions, contact **Erin Riffle**, PMAEF program manager, at eriffle@pma.org or 216-901-8800 ext. 137.

Areas of Interest

- Projects or programs focused on exposing youth (K-12) to manufacturing, whether at your company or in partnership with local schools or community organizations;
- Innovative projects or programs that demonstrate creativity, which can serve as a model for others;
- Strategic engagement with post-secondary or trade schools; and
- Partnerships with other companies, community agencies/organizations.
