For more information about Federated's risk management and insurance options for Precision Metalforming Association members, call Jack West at 1-800-533-0472 or visit federatedinsurance.com.

Some of the services identified herein are provided by third party companies wholly independent of Federated. Federated provides its clients access to these services with the understanding that neither Federated nor its employees provide legal, health, or employment advice. Some services may be subject to regulations or restrictions in your state. Qualified counsel should be sought regarding questions specific to your circumstances. The information shown is accurate as of January 2019 and is subject to change. All coverages and services may not be available in all states or for all firms. Each client will be individually underwritten for bonding. Limits will be established based on the firm's qualifications.
